Thanks Michele/Kate. I will check with Cheryl to see what else we might have. Jamelya updated the files but only for the SSAs like Fresno.

ELG: I would ask Cheryl. I believe Hillary updated the maps via GIS office when he was in the GWO.

Jamelya - do you work on updating the SSA maps when you were in the GWO?

Thanks.

Kate

I looked at the website of the questioner. They work for Elk Hills and we have a class I deep well facility permitted there. I wonder if they are getting at the aquifer exemption issue. Anyway I still don't know where there are aquifer shapefiles.

Any idea if we have such files and/or whom I should ask? Liz? Cheryl Henley? We have files for the Fresno SSA but beyond that I'm not sure what we have. Thanks.

Hello Mr. Guerrero,

I was wondering if you could assist me in locating shapefiles and/or maps of aquifers in Kern County? Your help would be greatly appreciated!

Regards,

Laura
